

**King and Queen – Help! (Start to 0.50)**

(Help) I need somebody

(Help) not just anybody

(Help) you know I need someone, help

So much younger than today

I never needed anybody's help in any way

But now these days are gone

I'm not so self-assured

Now I find I've changed my mind

And opened up the doors

Help me if you can, I'm feeling down

And I do appreciate you being 'round

Help me get my feet back on the ground

Won't you please, please help me
