So no one told you life was gonna be this way

Your job's a joke, you're broke

Your love life's DOA

It's like you're always stuck in second gear

When it hasn't been your day, your week, your month

Or even your year, but

I'll be there for you

(When the rain starts to pour)

I'll be there for you

(Like I've been there before)

I'll be there for you

('Cause you're there for me too)
